Impact Stories

Sameer's Story: PAN & Aadhar Card Drive

Sameer Thakur, an active member of the Youth Advisory Committee at Bright Future Center Govandi, has been instrumental in helping aspirants at the center obtain their PAN cards for the past year. He not only assists with PAN card applications but also provides free voter card registration and guides them through the process.

Sameer's dedication extends beyond Govandi, as he also attends documentation drives at other centers, including Bhandup, Kurla, Worli, Kandivali, Ghatkopar, and Vikhroli. Due to his tireless efforts, we have nicknamed him "Document Man."

Recently, Sameer helped Mehmood Qureshi, an aspirant from Batch No. 1718, obtain a crucial Domicile Certificate. This involved a lengthy process, but Sameer explained the required documents and accompanied Mehmood to the Tehsil office and Ration office, ultimately securing the certificate. We truly appreciate Sameer's dedication and hard work.

From Shy to Confident : An Inspiring story of Kimti

Kimti, an 18-year-old from Mangol Puri Kalan, grew up in a financially struggling family. Shy and unsure about her future, she lacked direction—until she joined Bright Future. Through skill development and confidence-building programs, she transformed from an introverted girl into a self-assured professional.

Today, she is financially independent and making her own decisions, breaking barriers that once held her back. From being hesitant to speak up to confidently navigating the professional world, Kimti is now a role model for many young aspirants who dream of a brighter future.
